

Missions Opportunities – 2019 rev.0119

Allowing Christ to Shine (ACTS): We believe providing shelter, education, food, teaching the word of God and showing God's love will transform their lives and transform their community. We also are passionate in assisting others in their call to serve God's Kingdom. When the Spirit of God compels "faith to action" after a mission trip or a desire is placed on one's heart to do something for the kingdom, we want to enable and empower that desire to become reality. *Questions or more information: Clark Shepherd, Clark@AllowingChristToShine.org or AllowingChristToShine.org, (574)527-0103.*

Mission: Invest in lives of families and children with the love of Jesus. Be a part of helping to love others through distributing food to the hungry, clothes to the naked and sharing the hope of Christ.

Humanity and Hope United Foundation: We believe God loves everyone and that Jesus calls us to help permanently change the lives of those who live in poverty. Our purpose is to transform lives forever by unconditionally loving desperate people. We do this by working hand-in-hand with local residents to implement the sustainable change solutions they ask for. *Questions or more information: Denny Fuller, dennyfuller@outlook.com or 574-453-8546.*

Mission: Join us in Honduras to experience sustainable transformation firsthand. Each one-week trip will be a special opportunity to learn about our projects and meet the men, women and children in our villages. We are excited for you to join our team and begin creating change together. We help in any way we can with construction projects, agricultural work, seminars or village meetings.
