WCC Bible Reading Plan

The New Testament in One Year

READING THE BIBLE TOGETHER

When we spend time in God's Word, we're getting to know Him. We're also maturing in our faith. Regularly spending time together with God in His Word is such a beautiful, life-giving thing. And just as it benefits us as individuals, when we gather together as the church to commit to spending time reading and studying the Bible, something special happens. We're able to encourage one another and grow together. That's why we're launching a new churchwide Bible reading plan. We'll spend a year reading the New Testament together.

UP FOR MORE OF A CHALLENGE?

Don't just read the chapters, use the following questions to study them:

- 1 Observation:** This is how to learn what a passage of scripture says.
Questions to ask: Who? What? Where? When? Why? How? What does it say? What do I notice?
- 2 Interpretation:** This is how to accurately interpret scripture and understand what it means in the right context.
Questions to ask: What are the key themes or truths? What is the writer's intended meaning? What is the context? What questions do I have?
- 3 Application:** This is how to correctly apply the truth of the text to everyday life.
Questions to ask: How do I apply it? What are the implications in my life? What does this mean for me?

5 MINUTES A DAY, 5 DAYS A WEEK

Committing five minutes a day, five days a week to our new churchwide Bible reading plan will allow us to read the New Testament, all 260 chapters, in one year. We'll have five chapters to read each week, with two built-in free days if you've gotten off track. *Note: if you do get off track, just jump back in where we are. You can always go back and catch up when you have extra time.* This plan spreads out the Gospels so we read those throughout the year, weaving the story of Jesus within our whole year. The rest of the New Testament books are read in order.

DEVOTIONALS

Every other week, we'll publish devotionals that correspond with what we're reading. These devotionals will be written from a variety of people participating in this churchwide reading plan. Through these devotionals, we will be encouraged and challenged as we journey through God's Word together.

The primary purpose of reading the Bible is not to know the Bible, but to know God.
