Although God gives spiritual gifts to each of us, we also can be born with an affinity toward, or acquire a skill through exposure to, a craft or trade. Because of this, don't neglect to look through our other sections for opportunities that might fit your skill set.

1. Discover your spiritual gifts at: www.warsaw.cc/serve
2. Use the gift assessment chart on back to align your gifts with serving opportunities at WCC.
3. Sign up to serve on the website, through the WCC app, or at the Info Center.
